

OCTOBER 22 - 23, 2025

KONTEK NUCLEAR SECURITY SUMMIT 2025

CHARLOTTE, NC

OLDE MECKLENBURG BREWERY | RWCA

REGISTER NOW

Kontek Industries & Holtec Security International are proud to host the Nuclear Security Summit 2025, a two-day event dedicated to advancing physical security solutions in the nuclear sector. The Summit brings together key stakeholders from the Department of Energy (DOE), the Nuclear Regulatory Commission (NRC), SMR operators, and commercial power generation professionals for collaboration, education, and real-world demonstrations.

This year's summit includes vendor showcases, expert speakers, panel discussions, and hands-on product demonstrations across multiple venues—each chosen to provide an immersive and engaging experience.

WHY YOU SHOULD ATTEND

- * Experience live product demonstrations you won't see at typical trade shows**
- * Learn from expert speakers and industry innovators tackling real-world security challenges**
- * Gain firsthand insight into emerging tech like drone detection, ballistic protection, and advanced fencing systems**
- * Participate in exclusive breakout discussions designed to address current threats and compliance priorities**
- * Walk away with practical strategies and tools to enhance your site's security posture**
